Technical Skills

Microsoft Office Suite (Word, Excel, Outlook, PowerPoint) • PMS & POS systems • Accounting software & reporting • Data entry & typing • Recordkeeping & documentation

Experience

FRONT DESK AGENT | HYATT REGENCY | OCTOBER 2025 – PRESENT

- Manage front desk operations for a 732-room hotel, including check-ins, check-outs, and creating new or extending reservations for guests arriving or in-house for companies.
- Coordinate with multiple departments to support events, packages, and office tasks.
- Support group check-ins and event logistics, preparing room lists, keys and documentation for VIP and business clientele such as Microsoft, Google, and Delta flights with schedule changes taken into effect.
- Handle accounting adjustments, reconcile charges, and assist with reporting tasks for management, such as our membership tier accuracies with restaurant breakfast and housekeeping late check-out for package inclusions.
- Maintain accurate records and perform data entry for reservations, billing, and guest communications over the phone, by email, or in-person at the desk.

NIGHT AUDITOR | HOTEL INDIGO | MAY 2023 – MARCH 2025

- Oversaw overnight front desk operations and hotel security providing a safe atmosphere.
- Conducted system audits, reconciled financial reports, and prepared spreadsheets for accounting and F&B departments while organizing server receipts for end-of-day transactions at restaurant closure.
- Maintained accurate records and performed data entry for overnight reservations and transactions, by creating new reservations, providing credit card guarantee, and checking in military.

- Provided reports and documentation to management to support smooth operations with frequent group check-ins by military group and government employees as we were next to the Navy base.

FRONT DESK AGENT | WARWICK | AUGUST 2020 – AUGUST 2022

- Completed administrative tasks such as room preparation, reimbursements, and credit card authorizations.
- Concierge daily morning recommendations on tours and walkability to locations.
- Supported events and group check-ins, ensuring smooth coordination and timely processing of reservations throughout changing package seasons nearby Pike Place Market and Piers.
- Maintained accurate records, spreadsheets, and documentation to keep operations organized, especially with 3-day Lufthansa and convention business tax exempt employees.
- Communicated with guests and staff to ensure clarity and efficiency in daily operations and maintenance requests for occupancy taking effect upon check-in day.
- Manage the front desk, meanwhile taking breakfast in-room dining orders daily, preparing rooming lists of incoming and departing international flight crew, and adjusting reconciliations off bills with parking at the desk before check-out.
